Personal & Educational Summary

My Family:

It's a great honor for me that, my father late Md Shah Alam was a Freedom Fighter of Bangladesh. He was not only a great fighter also a genius civil engineer and government officer who worked for roads and highways under Communication Ministry of Bangladesh Government. And I am also proud to be a son of my mother late Marzina Begum, who devoted her every happiness for us. We are number four (two brother and two sister) a complete family and all of us now established in their each area. And my little family now surrounding with my beloved wife Sajja Akter, who cooked delicious food for me and I loved it. And my great son "Ahmed Shahir"

My hobbies:

Now a day, I am too much busy with my office schedules and academic research work but most of my leisure period, I spend time with my books. Some time watching movies especially documentary and comedy this is relaxed my mood, and travelling is one of my great hobbies because it added value in my tiring life.
